3

IMPORTANTE
Avvitare il perno fino a fine corsa mettendo il foro in verticale.

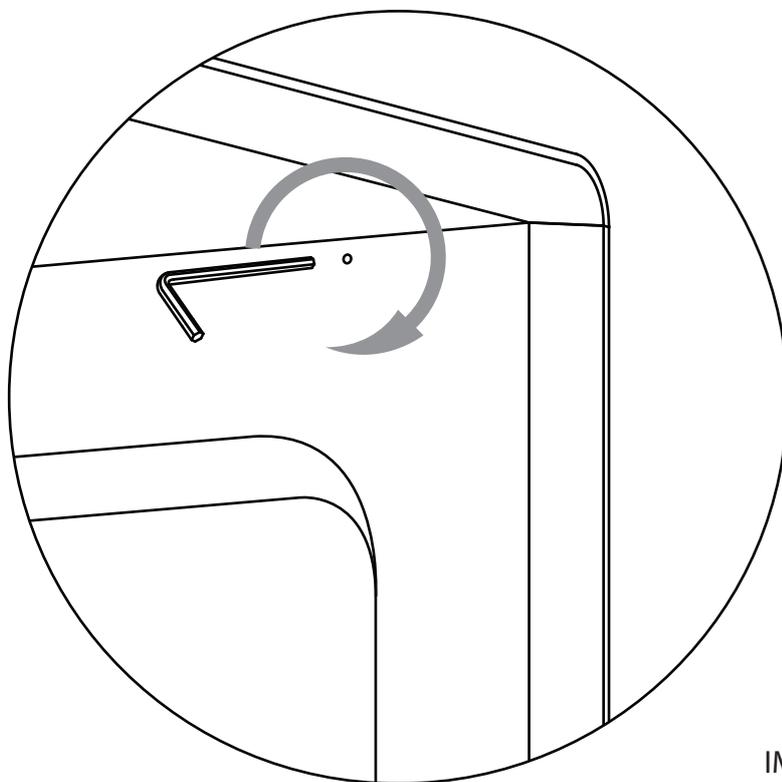

4

IMPORTANTE
Le teste dei perni devono essere inflatate nel traverso.
Fissare il tutto avvitando il grano superiore e inferiore.

5

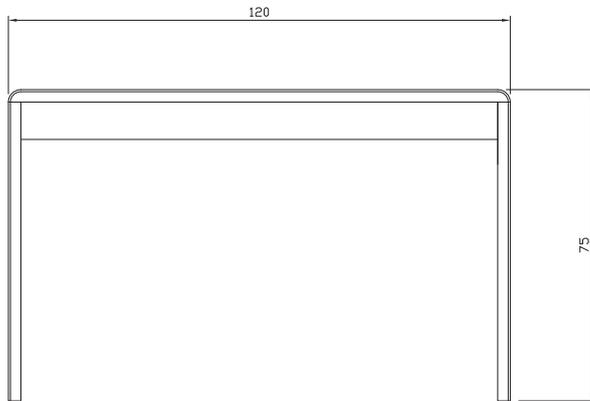

6

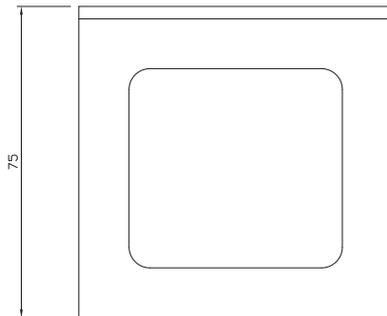

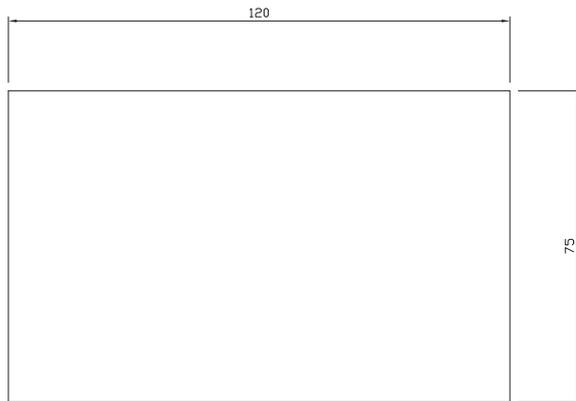

IMPORTANTE
Usare la chiave a brugola per fissare il piano.
Non forzare la rotazione per non
rovinare la sede della brugola.
